

Handles

Model: FAM mod. Neptun

- ✓ Standard spindle length: 35 mm
- ✓ Available colours: silver, cognac, titanium

FAM mod. Neptun

A high-quality handle made of powder-coated aluminium. Its riveted neck provides reliable operation for a long time. Suitable for both PVC and wooden windows.

*the handle is available in a push-button variant for selected spindle lengths and colours.

** can be used as a centre handle (short spindle version).
