MasterLine 8 Pivot

- construction depth (frame and sash): 77 mm
- glass thickness in the sash: from 10 to 62 mm
- maximum sash weight: 200 kg
- we lacquer in the full RAL K7 colour palette and, on request, in other colours (use powder code)

A system that enables the creation of unique revolving door structures. This type of door is an interesting alternative to sliding or folding patio doors.
